

OLD maID

INSTRUCTIONS

Ages: 4+

Players: 2 - 6

Equipment: 33 cards

Shuffle the deck. Deal the cards one at a time until all the cards are dealt. Each player looks at his hand and then discards all of their pairs of twin cards face up in front of them. The player to the left of the dealer then offers their hand to the player on their left. This player takes one card from the offered hand and lays down any pair of twins that may be formed. Play continues with this player offering his hand to their left and so on. One player will be left in the end with the Old Maid card who does not have a match. The player with the most pairs of twins is the winner!
